About Dark Horse Comics

For more than thirty years, Dark Horse Comics has proven to be a solid example of how integrity and innovation can help broaden a unique storytelling medium and establish a small, homegrown company as an industry giant. Founded in 1986 by Mike Richardson, the company is known for the progressive and creator-friendly atmosphere it provides for writers and artists. In addition to publishing comics from top talent, such as Mike Mignola, Geof Darrow, Gail Simone, Stan Sakai, and Guillermo del Toro, and comics legends such as Will Eisner, Milo Manara, Kazuo Koike, Neil Gaiman, and Frank Miller, Dark Horse has developed its own successful properties, such as The Mask, Ghost, X, and Barb Wire. Its successful line of comics, manga, and products based on popular properties includes The Umbrella Academy, Stranger Things, Dragon Age, Critical Role, The Legend of Zelda, Halo, The Witcher, Game of Thrones, and Avatar: The Last Airbender. Today, Dark Horse Comics is the largest independent comic book publisher in the US and is recognized as one of the worlds leading entertainment publishers.
