## ACONYTE BOOKS & GRAPHIC AUDIO BRING YOU ARKHAM HORROR, TWILIGHT IMPERIUM, AND ZOMBICIDE IN A RADICALLY DIFFERENT AUDIOBOOK EXPERIENCE

NOTTINGHAM, UK | 28 APRIL 2022

Aconyte Books have joined forces with Graphic Audio for a radically different audiobook experience, to include a full cast, cinematic music, and sound effects. Six of Aconyte's acclaimed ARKHAM HORROR novels, three TWILIGHT IMPERIUM titles and three ZOMBICIDE novels will be available in this dramatized adaptation format. The first audio drama, WRATH OF N'KAI by Josh Reynolds, will be released by Graphic Audio on 16th May 2022, to be followed by THE LAST RITUAL by S. A. Sidor later this summer.

Aconyte's publisher Marc Gascoigne said, "Our action-adventure novels provide the perfect raw material for full cast audio dramas, and Graphic Audio are the experts at bringing these stories to life. Personally, I can't wait to treat my ears."

Graphic Audio's Creative Director, Ken Jackson said, "As a young reader, I devoured mysteries, particularly those of Agatha Christie. It's no wonder then that I was drawn to *Arkham Horror: The Wrath of N'Kai*. It is the story of an international thief of esoteric artifacts, who stumbles onto a nightmarish cult in 1920s New England. Producing this in Graphic Audio, the events unfold like a macabre mystery movie from Hollywood's Golden Age. It's playful at times, but at others deadly and spooky."

The first Graphic Audio/Aconyte collaboration, WRATH OF N'KAI, is an eldritch adventure based in the world of the wildly popular Arkham Horror games. An international thief steals something she did not expect and is drawn into a world of cultists and sinister beings.
