FOR IMMEDIATE RELEASE

ASMODEE ENTERTAINMENT SIGNS PARTNERSHIP WITH DREAM FIGURES

Madrid, ES / Nottingham, UK. Dream Figures has signed a licensing deal with Asmodee Entertainment to produce high-end collectible painted resin statues. Working in Fantasy Flight Games' popular *Arkham Horror*, these statues promise to be every bit as cool as the games.

"The Ghoul Priest is a sinister opponent that virtually every *Arkham Horror* player faced at some time in their time venturing into Arkham" says Alexander Thieme, Licensing Manager at Asmodee Entertainment. "When Jaime showed me what he can do, I was convinced that we must get him and his team on board to recreate it as a life-like statue. I am so very glad that we can announce this today."

The team of veteran artists, and collectors, at Dream Figures have a knack for creating collectibles that satisfy the most demanding of fans. The pairing of their reputation for producing unconventional high-quality statues with the beautifully haunting artwork of *Arkham Horror* is sure to produce statues that can't miss.

"We're excited about this collaboration with Asmodee"; says, Dream Figures COO Jaime Rodriguez. "Not only because we love the IP and its fascinating artwork and characters, but also as their reputation for providing high quality products goes hand in hand with our drive to produce only the best products in the sector. Having a vision, dreaming if you will, is a key element to both our brands."

Two fan favourite characters, the Ghoul Priest and Agnes Baker, will be available online for purchase, and to face off, in Summer of 2023.
